Timeconsuming project: Långedprojektet www.langedprojektet.se which is an artistic and documentary project about the village Långed in Dals Långed in Dalsland, Sweden. Starting point: the closing down of a papermill in October 2015, which ends a 160 year long period of industrial work. I have made a 90 minutes long film about the paper mill, is our webmaster, and curated our exhibitions 2015. We will participate for the second time in Gothenburg International Biennial of Art, Extended, in autumn 2017, this year with one exhibition in October in Gallery Olike, Dals Långed. www.gibca.se
